

# The Aim of the Game

You have a very long shot to win the game. The most important thing you can do is to keep your head down and make sure that you are not hit. You will need to move through the area of the map that contains the most weapons. You will also need to make sure that you are not hit by other players.

You will need to follow the rules of the game frequently to succeed.

- Shoot the player who has the most damage to him or her.
- Try to avoid being hit by other players.
- Try to avoid being hit by other players.

Now it's time to play! You can now start the game and begin shooting at other players. You will need to move through the area of the map that contains the most weapons. You will also need to make sure that you are not hit by other players.

Good luck and have fun!
